September 2017 - October 2017

- ◆ Data scrapping on social networks to analyze brand image.

EDUCATION

Master in Business intelligence

September 2017, should be graduated in 2020.
Institut Supérieur d'Electronique de Paris

Computer science semester

September 2017 - January 2018 / Glyndwr University

Preparatory class

September 2015 - June 2017
Institut Supérieur d'Electronique de Paris

Baccalauréat S - Engineering Science
Lycée Jean-Baptiste Say

SKILLS

Programming

Java

Python (tensorflow, keras, OpenCV, Pandas, sklearn...)

C/C++

Scraping (Scrapy)

Machine Learning

Regression / Classification

Computer vision

K-nearest Neighbours

Decision trees

SVM

Neural Networks (ANN,CNN,RNN)

SOFTWARE

Spark

Git Github

Adobe Creative Suite

AWS (S3, DeepLens)

Languages

French : Native

English : Fluent (TOEIC 930)

Spanish : Basic
